PRODUCT MAINTENANCE:

Solid Timber

1. Regularly dust surface with damp cloth.
2. Wash with non-abrasive, solvent free and PH Neutral cleaning products.
3. Always dry with a lint free cloth.

DO NOT: Use abrasive pads, brushes, or cleaners like steel wool, as it will scratch the surface.
DO NOT: Use powder concentrated detergents, glass cleaner, harsh chemicals, or any silicone-based furniture polishes.
DO NOT: Place in direct sunlight.

NOTE: Promptly clean the surface if exposed to hand sanitiser or any other liquids with high alcohol percentage.
NOTE: Take extra care as timber is a natural material and can be easily scratched.

Veneer:

1. Avoid excessive applications of water as it can cause the edges to swell overtime.
2. Protect from direct sunlight.
3. Do not place exessivly hot or cold objects directly onto the surface.

DO NOT: Use any chemical based cleaners.
DO NOT: Regulary dust surfaces with a damp cloth.
DO NOT: Use scouring pads, powder, concerntrated detergents or silocone based furniture polishes.

NOTE: Promptly clean the surface if exposed to hand sanitiser or any other liquids with high alcohol percentage.

Vinyl:

1. Regularly vacuum using a soft brush and wipe with a wet sponge or cloth.
2. Protect from direct sunlight.
3. Treat spills and stains as soon as possible by blotting liquid spills with a clean dry cloth. Wipe with a clean cloth dampened with warm water. Dry in shade away from direct heat.
4. A soft bristle brush may be used to remove ingrained soil. Avoid scratching by gentle brushing.

DO NOT: Use abrasive powder, detergent based or paste cleaners.
DO NOT: Wet excessively or clean with hot water extraction machine or on-site dry-cleaning machine.

NOTE: Annual professional cleaning is highly recommended.
